## INTRODUCTION

Welcome to *Urban Designs: Black Knight Casino*. This *Masterwork Maps* sourcebook showcases an extensive array of floor plans accompanied by a rich background of characters, daily routines, security protocols, and story plots - Everything needed to immediately incorporate Black Knight Casino into your campaign.

The casino and its amenities encompass three floors, a basement, and underground vault, while the hotel towers ascend another eighteen stories. Self-parking lots surround the casino, and an adjacent four-story garage provides staff and valet parking. Two overviews of the main and second floor (pages 9 and 10) are designed specifically for players. These are brochure maps for casino guests and do not accurately depict the casino's interior. The rest, however, provide a thorough architectural view of Black Knight Casino.

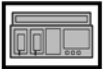

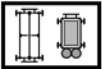

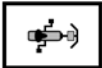

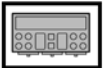

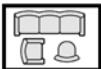

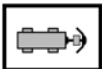

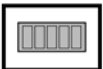

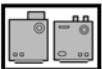

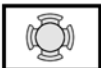

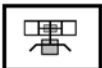

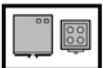

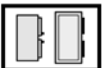

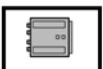

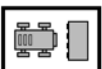

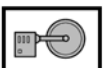

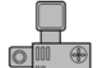

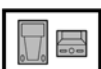

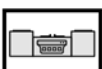

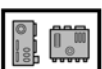

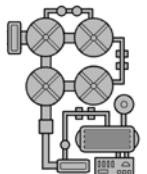

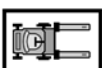

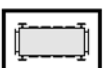

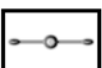

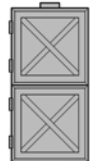

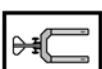

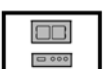

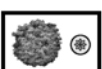

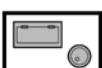

Each floor plan has a four-digit designator. The first two digits indicate the floor (U for underground, G for above-ground) and the second two give the location. For example, U1 is the first underground floor, G1 is the main (first) floor, G2 is the second floor, and so forth to G21, the twenty-first

floor. The floor plans are numbered in a square of 25 maps per floor, beginning with 01 in the upper left corner and ending with 25 in the lower right corner. For example, the main floor includes 20 maps (G1.02 - G1.04, G1.07 - G1.09, and G1.12 - G1.25). Maps without details are omitted, so G1.02 is the first map of the main floor.

All areas of the casino and its amenities are numbered and concisely described. Many are comprised of multiple rooms or smaller areas that are sequentially numbered. For example, the Front Entrance (01) includes a fountain (01.1), event sign (01.2), two statues (01.3, 01.4), vented entrance (01.5), a second floor maintenance room (01.6), exterior balcony (01.7), and interior balcony (01.8).

On each floor, guest areas are numbered first, followed by staff areas, but note that hotel room numbers are the actual room numbers (201 is hotel room 201). Guest areas are indicated by black numbers on a white background and staff areas are indicated by white numbers on a black background. Guests are not freely permitted into all "guest" areas, such as bars and the cashier cage. Stairs are intended for use in the event of fire or emergency and a triangular black arrow on each flight of stairs indicates the upward direction.

Soft music and a fine wine selection create a romantic atmosphere for you and your loved one. Puits de l'Hermite also entertains diners with a violinist on Saturday evenings. For the ultimate

dining experience, the prix fixe menu comprises six courses, including Chef Guyot's specialty, Chicken Cordon Bleu. The staff goes the extra mile for special events, so book your holiday reservations well in advance.

### Alfredo's

Fun, food, and friends join forces at this restaurant that caters to all ages. Huge portions of steak, seafood and salad with an Italian flair greet the hungry diner. Reasonable prices and a festive feel mean this establishment is a regular stop for private parties, after-work mixers, and even family dinners. The bar area hosts events for singles, but the real draw is the famous Melting Mound of Mocha, a four-layer dessert requiring as many people to eat it. Alfredo's strives to uphold its friendly reputation; if your server fails to smile while taking your order, your meal is free!

### Porter Steak House

Guests flock to this steakhouse for prime U.S. beef with a Texan kick. High-backed booths create a sense of privacy, where diners savor the sought after porterhouse steak, filet mignon, and barbecue prime rib. Combined with generous portions of potatoes and local vegetables, these hearty meals will fill any hungry void. Guests may also choose a trip to the salad buffet as a starter or main course. The full buffet merits a visit, with slices of chicken, nuts, crab, and other toppings. Weekend evenings tend to necessitate a wait, so visitors may want to linger at the bar for a drink or grab a quick appetizer from the barrels of peanuts nearby. At lunchtime, parties who correctly answer a trivia question garner an impressive slice of Porter's award-winning Maple Chocolate Cake.

### The Fisherman's Net

Journey to the ocean's edge and enjoy the quiet atmosphere of a seaside tavern where saltwater aquariums fascinate children of all ages. House specialties include the Norwegian salmon appetizer and Alaskan King Crab, both flown in fresh daily. Tasty caviar or the moules frites entrée will amaze discriminating palates. Our trained and helpful staff can also suggest domestic and imported wines most suited to compliment your dining experience.

### The Blue Grotto Grille and Delicatessen

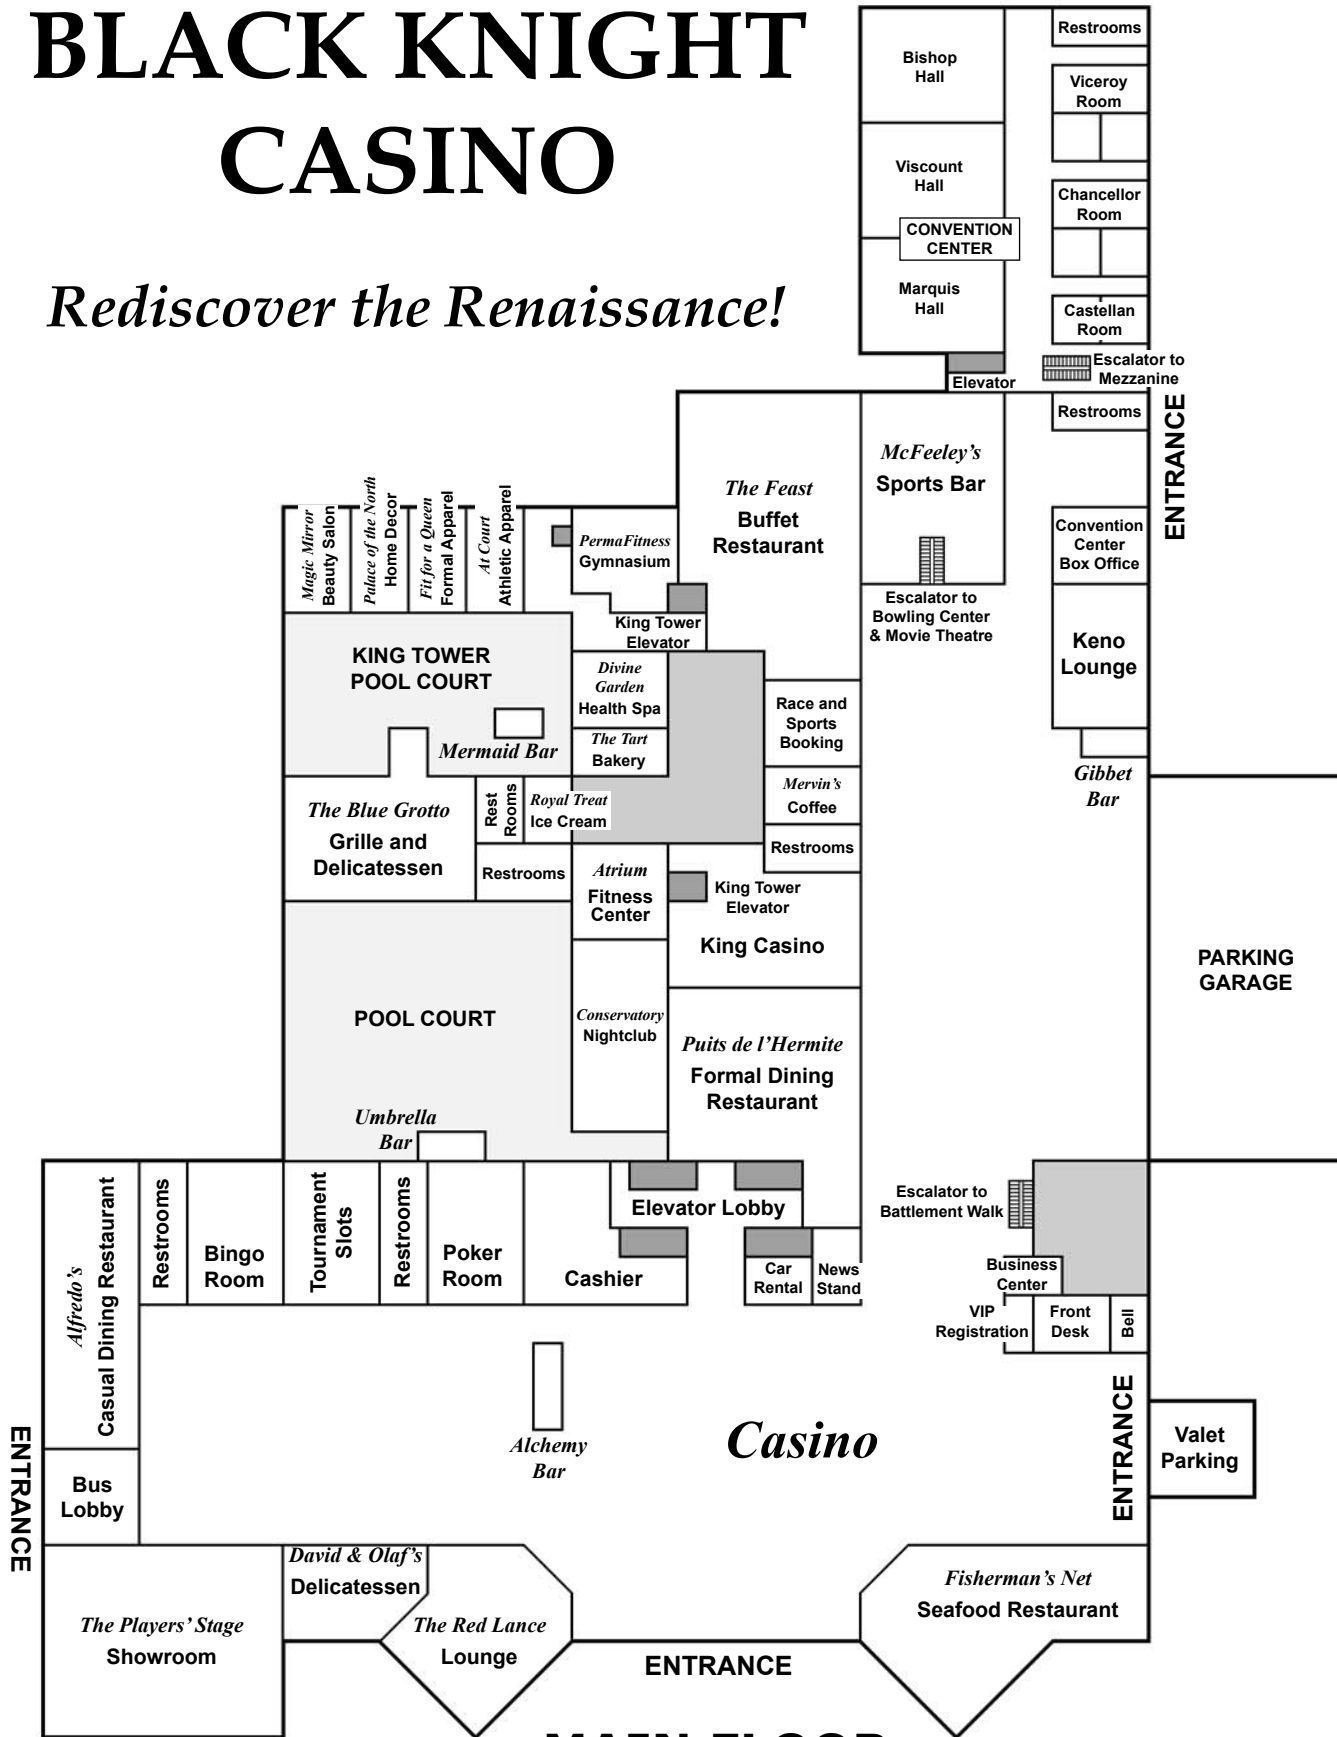

Please your palate while overlooking one of the Black Knight's pool courts. Guests may enjoy a fine array of beef, poultry, and seafood dishes, ranging from triple-decker club sandwiches to steak dinners. A to-go counter attracts denizens of the pools eager for a quick bite. The casual dress code belies the meticulous detail of the carved wooden walls and crisp white tablecloths. For an unforgettable experience, the Grotto is a great destination for a cozy dinner against the romantic backdrop of nighttime pool lighting and music.

Carlette is a heavy smoker, with a harsh hairstyle and matching disposition. She has proven herself, broken the glass ceiling, and beaten the "good old boys" at their own game. Carlette is methodical and calculating, and ruthlessly protects her position and assets. She does not tolerate incompetence or double standards, and is well known for her unbiased policies. Carlette routinely walks the casino floor, and lax workers rarely escape her attention. Yet when she chooses, Carlette can be charming and generous. She is a formidable intellect whose actions are driven by her own agenda. Carlette has cultivated powerful contacts throughout the business world, and is fully capable of getting what she wants by money, trade, favor, or whatever means necessary.

Rizzo is thin and bald, with tailored suits too large for his frame. He is a notorious workaholic and perfectionist whose bachelor lifestyle is consumed by long workdays and weekend overtime. Rizzo's small stature earned him the attention of playground bullies, and later made him the target of college pranksters. Years of ridicule and peer pressures hardened Rizzo, and his career success has not dulled their memory. He sees only the worst in his fellow man, and they are not worth his compassion or trust. Friendship is a façade offered by those with hidden agendas, and Rizzo protects himself with contracts and court documents.
